Dr. Katelyn Skinner | *Assistant Principal*

Our Mission

To provide each student with a pathway into the global workforce with advanced educational options.

Our Vision

To be the global leader in educating exceptional career and college-ready students.

CCTEC is a comprehensive four-year public school, drawing students of diverse socioeconomic backgrounds from Cumberland County, New Jersey. At CCTEC, we believe that county vocational-technical education offers students a chance to explore various careers early and help them develop the skills they need for success in any field. With a strong academic and technical foundation, these students are able to make the most of college to advance their career opportunities.

Dual Enrollment Course Offerings/Affiliations

Students are offered approximately 10 dual credit courses over 4 years during the school day. Additionally, students have the option to enroll in 12 more Early College High School classes after school hours at Rowan College of South Jersey, paid by CCTEC, totaling 22 courses. These courses are available through our partnerships with the institutions below:

RUTGERS

Rowan University
