June 3: Semester Begins

June 3-6: Course Drop Window

Timeframe when students can remove themselves from a course with no penalty. Course will be removed from the student's transcript and will not impact the student's college GPA. If a student wishes to continue with Dual Enrollment after this semester, the student must register to take this course again before moving onto the next course in the sequence. No payment is required if a course is dropped within this timeframe. Dropping a course within this timeframe will not count towards the ECHS Course Withdraw limit (2 classes). If a student decides to withdraw from the course after this window, the course will remain on a student's transcript and will show as a "W". Withdrawing after the drop window will count towards the ECHS Course Withdraw limit. If a student chooses to continue with the ECHS Dual Enrollment program after withdrawing, the student will be required to pay for the course and materials in order to continue. All paperwork must be completed through ECHS Counselor.
